Aloha friends and family!

As we celebrate the end of another incredible season, we want to take a moment to reflect on the highlights, the triumphs, and—most importantly—the joy that filled our year together.

From the amazing ISD Homecoming (where our youth kids planned it, decorated for it, danced their hearts out for four hours straight and then still stayed to help clean up after), to the intense preparation and dedication poured into every rehearsal leading up to Nationals, our dancers have made some unforgettable memories together.

We are especially proud of our Pre-Teen A Team for bringing home not just one, but two Division 1 national championships in their medley performances—what an accomplishment!

But beyond the medals, trophies, and applause, this year has been about the naps in the foyer, the laughter in the hallways, and especially the friendships and bonds forged on and off the dance floor.

This is the center of our vision for Island Style: our dance ‘ohana. To each and every dancer—we love you. Thank you for bringing your energy, your light, and your hearts into the studio day after day. You inspire us.

To our incredible parents—thank you for trusting us, for showing up, for supporting your children, and for cheering on this program. We couldn’t do it without you.

**Tonight, we especially honor our graduating seniors:
Charlie Woodward, David Arnson, Elle Gleason, Jack Libutti, Jacob Sapp,
Lana Brantley, Larissa Stavast, Camilla Grover, and Avalie Gerlach.**

You’ve left a legacy of leadership, kindness, and excellence. You will always have a place in our hearts and in our Island Style family.

Mahalo nui loa for being part of our journey this year. We are so grateful you’re here to share this special night with us.

**With love,
Island Style Dance Studio**

In Memory of Noah Scribner

Noah Scribner returned home to his Heavenly Father just nine days before his 18th birthday. Noah had attended his Senior prom, spent Mother's Day with his family, and had received his call to serve as a full-time missionary for the Church of Jesus Christ of Latter-Day Saints in the Honduras, San Pedro Sula Mission, all before he was involved in a sudden and tragic accident on May 12, 2025.

To us, Noah was a friend, a classmate, and a fellow ballroom dancer. He will be dearly missed. Today in our concerts, the ISD Youth A Team will perform their student choreography, "Even If," in memory of Noah.

***"I know You're able and I know You can
Save through the fire with Your mighty hand
But even if You don't
My hope is You alone***

***I know the sorrow, I know the hurt
Would all go away if You'd just say the word
But even if You don't
My hope is You alone***

***It is well with my soul
It is well, it is well with my soul"***
